

2022 AdventHealth Championship

Good morning fellow turf professionals,

As many of you know, Blue Hills Country Club will be hosting the AdventHealth Championship Korn Ferry event the week of Monday, May 16th through Sunday, May 22nd, assuming no Monday finish. Over the last couple of months, I have sent reminders of this event, along with a Google form, in an attempt to gain some volunteers for our morning and afternoon golf course preparation, and I am personally reaching out again in hopes of persuading more of you to help us during the week of our event. To the local Golf Course Superintendents specifically, although it will be extremely helpful to have volunteers that can fulfill more of our critical jobs, any of your staff members are welcome as we have a wide range of tasks to complete. I understand that May is a critical time for all of us to ensure that we start the season off on a great foot. However, my staff and I would greatly appreciate any members of your team that you are willing to part with for the week or even a few shifts.

Our excellent local service providers will be donating breakfasts for our morning shifts (4 am to 8 am) and lunches for our afternoon shifts (3 pm to 7 pm) from Wednesday Morning through Sunday Morning to show our appreciation to all our volunteers. I know that your time is valuable, but a week of great food, cold drinks, and plenty of shop talk may be a nice warmup for a great summer.

If you are interested in volunteering for the 2022 AdventHealth Championship at Blue Hills Country Club, please click the following link and send us the appropriate information via the Google form. Thank you for reading this request. Any help you are willing to provide will be greatly appreciated.
