President's Message

Dear Heart Members,

This will be my last address of the association as your President. As most of you have heard I will be transitioning to the "dark side" of our business and joining the sales force here in the Kansas City metro. I have accepted a position with Professional Turf Products out of their Olathe branch and will be splitting the territory with Mr. Brad Gray. This decision did not come lightly and I will thoroughly miss the days of being the Superintendent at Canyon Farms along with board duties with the HAGCSA. The memories, friendships that I have gained while serving the board over the past 6 years have been a great joy. I look forward to my new chapter of life of getting out of the office, helping this great association and all of you in my future endeavors with Toro.

Mark Newton, CGCS
Canyon Farms,
Golf Club

This transition has come at a cost to our board of directors and plan we all put into effect while dealing with the Covid-19 pandemic. Our original plan of action was all current board members terms would be extended one full year and all roles continued into 2021 as we navigate these difficult times. With my new career path, I will be stepping down as your President and was unanimously agreed upon from our current board to proceed with a more "normal" transition and changing of the chairs for HAGCSA. With the events of Covid and not being able to have our typical Annual Meeting to vote on new directors and executives HAGCSA will be having a digital ballot for our executive board and the new Secretary Director position. The announcement of the new board will be made at our Annual Meeting during the Common Ground Conference on December 14th and 15th.

I have thoroughly enjoyed my time as your President over this past year, 2020 was one for the ages and one I will never forget. From the constant contact with regional and national politicking for the game of golf, to the massive changes we all have had to make to keep our doors open. I have full faith in our current directors, incoming President and all of you that we can maintain all that we have built upon over this past year. Many thanks to everyone who has served on our board and our chapter executive Kim for their constant work over the years, the Heart would not be what it is today without all of their help, thank you!

Your President,

Mark Newton, CGCS, Class A Superintendent

Candidate's Name: Brent Stephenson

Present Title and Golf Course: Chief Agronomist Great Life KC

Tenure:

13 years as a HAGCSA Member

7 years at my present Facility

23 years in the Golf Industry

Candidate Summary:

I am the Director of Agronomy for Great Life Kansas City. I came on board with Great Life Golf in 2012 as the Superintendent at Staley Farms. At that time GLKC had three courses. They quickly started to grow and now have 25 courses in the GLKC group. I oversee all maintenance departments for the GLKC properties. In my free time I enjoy camping, scuba diving, traveling and working on classic cars. I live in Kearney, Missouri with my wife, Angie, of 20 years and two children, Carman and Andrew. Carman is a Sr. at William Jewell College and is currently student teaching in the Liberty school system, and Andrew is a recent US Airforce basic training graduate. He is an Airman training to be an EOD. I try to give back where I can. I serve on the HAGCSA Board of Directors. I am the chairman of the MO/KAN Wee One committee. I am a co-charman serving on the Missouri BMP committee.

Statement of Candidacy: I have always valued my membership at the local and national level of the GCSAA. I have served two director terms with the HAGCSA, one year as the secretary treasurer, and most recently serving as the Vice President. We have a critical year ahead of us as we recover from the pandemic. We will be asking a lot of our members and board members as we work to return our association to normal. I am asking for you to vote for me as president in 2021. Thank you for your membership.

Running For (Position): Vice President

Candidate's Name: Jonathan Bennett

Present Title and Golf Course: Superintendent at Sunflower Hills Golf Course

Tenure:

11 years as a HAGCSA Member

5 years at my present Facility

16 years in the Golf Industry

Candidate Summary:

I grew up in Seneca, Kansas where I graduated from Nemaha Valley High School. One week after I graduated high school, I moved to Kansas City to work at Shadow Glen under Scott Johnson, who greatly influenced my career choice into the golf course industry. I attended JCCC for one year and finished my degree at Kansas State University. I graduated in December 2008 with a Bachelor of Science in Golf Course Management. With the help of Scott Johnson, I interviewed and was hired by Loren Breedlove at KCCC the same month I graduated from KSU. My time at Kansas City Country Club was very challenging and rewarding. I went through several tournaments including the Kansas Amateur, Tom Watson Challenge, AJGA Tour, and the Trans-Mississippi Championship. I have also gone through extension renovations including installing a wall to wall irrigation system; rebuilding greens, bunkers, and tees; installing multiple fans on greens; and installing XGD drainage in push up greens.

In January 2016, I was hired as the Superintendent at Sunflower Hills Golf Course in Kansas City, Kansas. My transition from a high-end private club to a government operated golf course has been interesting and challenging. After 4 years at Sunflower Hills, I have

brought new ideas and management strategies to the golf course. Recently, I have completed a master bunker and forward tee plan. Along with new bunkers and tees, I have provided the course a tree management program and labor reduction strategies to help attract and retain golfers.

I have served as Special Director for the Heart of America Board in 2014. My duties included running the Employee Tournament in August and putting together Assistant Programs throughout the year. I have also been a Director the past three years in which I served as the Chairman for the Public Relations in 2017, Scholarship and Research in 2018, and Education in 2019. I look forward to seeing everyone at the Common Ground this year. I hope to provide a great educational experience!

I reside in Kansas City, Kansas with my 9-year-old son, Hudson. He loves to come out to the golf course and help out, as long as gets to drive the gator. I volunteer as a soccer coach for his team.

Statement of Candidacy:

The past four years serving on the board has given me many great insights on how to continue to improve our chapter and industry. Getting elected to the executive board would be a great opportunity to bring my knowledge and experience to Heart of America Chapter. I have enjoyed serving for the Heart of America Board in the past and would love to continue my commitment to serving on the board. I would be honored to serve as Vice President and continue to provide our chapter further progression.

I am honored to be considered a candidate for Secretary/Treasurer for the HAGCSA Board of Directors. I have been a proud member and supporter of the HAGCSA for over 10 years. I am a third generation Superintendent, my Grandfather was a superintendent in Canada for over 50 years, my father was a Superintendent for over 10 years, before becoming a General Manager. My Grandfather and Father are my role models in this industry. They have taught me that your greatest success is measured by what you have accomplished through serving others. I have been blessed and honored to work for other Superintendents who share that deep commitment to grow our profession.

I am committed to ensuring the association continues to provide our members with the same excellent educational opportunities, professional development programs and networking opportunities that have helped me become the superintendent I am today. I remain grateful for the support of the Board of Directors, membership and staff of Colbert Hills Golf Course. I hope you will consider my qualifications and support my election to the HAGCSA Secretary/Treasurer. Thank you for your consideration.

Candidate's Name: Thomas Storey

Present Title and Golf Course: Superintendent Sykes/Lady Overland Park Golf Course

Tenure:

10 years as a HAGCSA Member
4 years at my present Facility
25 years in the Golf Industry

Candidate Summary:

During my 25 years in the golf industry I have had the opportunities to work on many different courses. I have been a Superintendent for the past 14 years with 3 different clubs, two of them have been here in the metro area at Metcalf Ridge Golf Course and at Sykes/Lady Overland Park Golf Course. During those past 14 years, I have also served on the Board of Directors for the Iowa Golf Course Superintendents Association and the Heart of America Superintendents Association. This year has been a difficult year with all of the uncertainty from Covid and I believe that the BOD has done a really good job adapting to the challenges that we have faced this year. Just recently, we found out that one of the board members was leaving their position and ultimately leaving the BOD which in turned opened up the Secretary/Treasurer position. When I found out about the opening, it didn't take long for me to try and pursue the position. I feel that it is my obligation to the industry and the Heart of America Superintendents Association to serve on the Board of Directors and help our association grow. With YOUR support, I would hope that you as members of this great association would elect me to be your next Secretary/Treasurer!

GCSAA - Chapter Delegates Meet Virtually – Discuss Key Initiatives

By Steve Randall, GCSAA Central Plains Regional Representative

For the first time since the Golf Course Superintendents Association of America's chapter delegates began meeting annually in 1993, members in 2020 met via virtual platform October 20-21. The continuing COVID-19 global pandemic forced GCSAA's leaders to make the decision to hold a virtual meeting in July.

The annual event brings delegates together from GCSAA's 98 chapters to discuss initiatives, provide insight on moving the association forward, and to begin discussions on electing board members and officers at the February 2021 annual meeting.

Highlights of the meeting included a presentation from Ed Several, Executive Vice President of Events and Conferences for EnsembleIQ. Ed and his company are producing a highly interactive virtual platform and trade show for the 2021 Golf Industry Show February 2-4, 2021.

Members were impressed with the interactive features and use of the platform. For more information, visit the Golf Industry Show website.

Members also heard from President John R. Fulling, CGCS and CEO Rhett Evans. Both discussed GCSAA's influence in the world of golf, facing difficult times during a global pandemic. GCSAA continues to showcase the organization and its members as the global leaders in golf course management.

During the year, GCSAA has been at the forefront on issues keeping golf and maintenance open. GCSAA worked with all national golf organizations on the Back2Golf initiatives, providing guidance on keeping facilities open and making golf an enjoyable recreational activity.

A member dues discussion also took place. GCSAA follows a dues increase process created in 2006 from input and approval from chapter delegates. The process is tied to the Consumer Price Index (CPI) and equates to smaller and more frequent increases in dues rather than infrequent, but larger increases. This year's proposal is the following:

- 3.3% increase in CPI since 2019
- \$15 increase for A and B (\$415) and \$10 increase for C (\$215)
- Approval rate for dues increases has ranged from 87% - 96%

The delegates offered their thoughts on the dues increase to the board during small group breakouts. The GCSAA Board of Directors will consider delegate feedback as they discuss the proposal. Delegates are encouraged to communicate the proposed dues increase with their membership and provide chapter feedback to GCSAA.

Wednesday's Town Hall Session allowed delegates the chance to ask questions of the GCSAA Board. The interactive session focused on processes with the annual meeting and allowed further discussion on items discussed during the two-day event.

Candidate breakout sessions concluded activities. The delegates were awarded ample time to interact and ask questions of the candidates. Those running for the GCSAA Board in 2021 are:

- For President – Mark F. Jordan, CGCS
- For Vice President – Kevin P. Breen, CGCS
- For Secretary/Treasurer – Kevin P. Sunderman, CGCS; Jeff L. White, CGCS
- For Director (electing three) – T.A. Barker, CGCS; Paul L. Carter, CGCS; Jon M. Christenson; Christopher A. Reverie; Marc E. Weston, CGCS

There are three open positions for director. The terms of Barker, Carter and White are expiring. All three director positions will be for two-year terms. If White is not voted in as Secretary/Treasurer, his name may be submitted as a candidate from the floor. Sunderman is in the middle of his two-year term as director. If he is unsuccessful in his bid for Secretary/Treasurer he will remain on the board as a director. If Sunderman is elected Secretary/Treasurer a one-year director position will be voted on by the delegates to fill his remaining term.

TAKE ADVANTAGE!

Our Mission is to promote the welfare of the game of golf, the science and art of golf course management, the organizational and business effectiveness of the profession, the professional image and well-being of individual members, and to unite golf course superintendents in this area.

The Heart of America GCSA is now accepting applications for the
