

Advent Health

CHAMPIONSHIP

MAY 13 – MAY 19

Good afternoon HAGSCA Members,

We will be hosting the 2024 AdventHealth Championship here at Blue Hills Country Club one month from today during the week of May 13th – May 19th. I am humbly reaching out to you for volunteers that will help us manage the golf course throughout the week.

During tournament week we split our days into a morning shift (4 am – 8 am) and afternoon shift (4 pm – 8 pm). The morning shift focuses on typical golf course preparation. Walk-mowing greens, rolling greens, triplex mowing tees, raking bunkers, course setup, along with general course cleanup and other tasks that arise during the morning routine.

The afternoon shift addresses the other areas and practices to repair the course from the long day and prepare it for the next day. Mowing fairways, rolling greens, filling divots, course breakdown (pulling in tee markers, flag sticks, etc.), and any other tasks that could not be addressed in the morning preparation.

Our generous, local service providers will be helping us show our appreciation to all our volunteers by donating meals throughout the week. Every morning after the completion of the morning setup, approximately 8 am, breakfast will be served to all our volunteers, and every evening prior to the afternoon shift, approximately 4 pm, an early dinner will be available. Not to mention, a few cold beers at the end of the day in an attempt to show our thanks.

It will be extremely helpful to have volunteers that can fulfill more of our critical jobs (greens mowing, cup cutting, fairway mowing), however, all experience levels are welcome as we have a wide range of tasks to complete. I understand that May is a critical time for all of us, but my staff and I would appreciate any help you are willing to provide us with during the week.

Please contact me at lspurlock@bluehillsgcc.com and let me know how you can help Blue Hills Country Club during that week. Thank you in advance.

Sincerely,
Logan Spurlock
